Storm Damage Emergency Branch Pickup – Monday, June 27, 7:00 a.m.

As you know, the aftermath of the severe thunderstorms that went through our area on Tuesday night left many of our residents without power and caused considerable damage to trees on private and public property. Due to the scope of the tree damage, the Village is providing curbside branch pick-up beginning Monday, June 27. **ALL BRANCHES MUST BE PLACED AT THE CURB BY 7:00 a.m. on MONDAY, JUNE 27.** Once the contractor has been down a street, they will not return. Residents are asked to please follow the regular brush chipping program requirements as detailed on our [Public Works Forestry & Grounds page on the website](#). This emergency program is intended **only** for storm related damage. (The regular fall brush-chipping program will resume in October.)

The notification regarding this emergency branch pick-up was distributed in the following ways:

- Reverse 9-1-1 message sent out by the Police Department
- Email sent to all E-Briefs subscribers (includes Homeowners' Association presidents and Board/Commission members who have provided their email address to us)
- Notices posted on social media sites (Facebook/BRVillage & Twitter/BRVillage)
- Notices published on BurrRidgePatch.com & Triblocal.com
- Notice posted on Village Cable Channel
- Notice posted on Village website
- Village Hall staff called residents who inquired about the pick-up
- An announcement will also be made at tonight's concert.

Saia Annexation Update

It is my understanding that, as of late Thursday afternoon, Saia and the property owner of the truck depot have negotiated a resolution to their outstanding issues. Scott Hargadon, attorney for Saia, has indicated that he has been authorized to send the agreement to Saia officials in Atlanta for execution. We hope to receive the signed agreements early next week and, assuming that we receive an annexation petition from the property owner and he signs the agreement, we will be able to place this on the agenda for the July 11 Board meeting.

Village to Receive Additional MFT Funds

On Thursday morning, Governor Quinn announced the release of \$100 million in additional Motor Fuel Tax monies for municipal, township and county transportation projects statewide. The source of these funds is the six-year, \$31 billion Illinois Now jobs program, passed by the General Assembly more than a year ago. The program calls for municipalities, townships and counties to receive five annual installments of \$100 million for transportation projects. The \$100 million released on Thursday is the second of the five installments. As a result, it appears that the Village of Burr Ridge will receive \$48,894 more in MFT funds this year.
